ABSTRACT

This publication was produced to meet the increasing need of librarians and others for accurate, current information about all types of libraries in the state of Wisconsin. Its additional objective is to further and promote interlibrary cooperation. It contains a statistical summary of Wisconsin public libraries; a statistical summary of reference and loan libraries; a cooperative services summary of Wisconsin public libraries; a directory of academic, public and special libraries; statistics (by county) of Wisconsin public libraries; statistics (by cooperative services) of Wisconsin public libraries; and a directory of Wisconsin public libraries. The information in this Service Record was compiled from reports submitted by the libraries for the calendar year 1971. (The Academic and Special Library Service Record, 1971 is available as LI 003 780.) (Author/NH)

INTRODUCTION

In 1971 the Wisconsin Division for Library Services published in addition to the well-established PUBLIC LIBRARY SERVICE RECORD, a SCHOOL LIBRARY SERVICE RECORD, a SPECIAL LIBRARY SERVICE RECORD and an ACADEMIC LIBRARY SERVICE RECORD. These publications were produced to meet the increasing need of librarians and others for accurate, current information about all types of libraries in the state. An additional objective was to further and promote interlibrary cooperation.

In 1972 the Division will be producing two publications: PUBLIC LIBRARY SERVICE RECORD and ACADEMIC AND SPECIAL LIBRARY SERVICE RECORD. The SCHOOL LIBRARY SERVICE RECORD will not be published this year.

NOTES ON PUBLIC LIBRARY INFORMATION: The information in this Service Record was compiled from reports submitted by the libraries to the Division for Library Services for calendar year 1971.

POPULATION SERVED

Population Served - is the population in a governmental unit which is eligible to be served by a library because the governmental unit supports the library by appropriation or by contracting for services. Population Served does not include the population of governmental units to which free service is extended. In cases where a governmental unit contracts with more than one library for services, the population of the contracting governmental unit is divided up evenly among the libraries serving the governmental unit.

LIBRARY COLLECTION

Volume - a volume for statistical purposes is a physical unit of any printed, typewritten, handwritten, mimeographed, or processed work contained in one binding or portfolio, hardbound or paperbound, which has been cataloged and classified. Included are government documents that have been cataloged and classified.

Periodical - current periodicals by number of titles subscribed to.

Slides, Filmst - slides were counted by physical item. Filmstrips were counted by title.

Discs, Tapes - counted by physical item.

Films - (all millimeters) counted by title.

INTRODUCTION

DIRECT LOANS

Direct Loans - each volume, pamphlet, periodical or other item lent directly to a library user for home use, and each renewal, is counted once. This does not include loans which were made to branches, stations, or other service outlets that are administered by the reporting library. This does not include bulk loans or interlibrary loans.

LIBRARY OPERATING INCOME

Total Income - is the sum of library operating income from local appropriation, federal grants, contract fees, endowments and gifts, and all other sources.

Local Appropriation - library income from cities, villages, counties, school districts and/or towns plus library income from the previous year's bank balance which was available for library use in the current reporting year.

Grants - library income from the Library Services and Construction Act, Titles I and III, plus income from any other federal grants except construction grants.

Contract Fees - library income from contracts (written or oral) for the extension of services to the state, cities, villages, counties, school districts and/or other libraries or agencies. Any income which is given to the municipality is not included.

Endowment and Gifts - library income from the interest received from trusts and endowments, plus cash gifts received.

Other Sources - library operating income from all other sources.

LIBRARY OPERATING EXPENDITURES

Total Expend - the sum of library expenditures for salaries, wages, employee benefits, library materials, contract services, and all other library operating expenditures.

Salaries, Benefits - library expenditures for salaries, wages and employee benefits.

Library Materials - library expenditures for books, periodicals, miscellaneous printed materials, A-V materials, other nonprint materials, binding and rebinding.

Contract Services - library expenditures for services rendered to the library on the basis of a specific contract, written or oral.

Other Expend - library expenditures for utilities, rent, travel, repairs, supplies, postage, etc.

CAPITAL EXPENDITURES

Capital Expend - library expenditures for vehicles, building sites, new buildings, additions to buildings, major structural changes, architect's fees, building permits, furnishings, equipment and initial bookstock for new or expanded quarters, and additional furnishings and equipment for existing buildings.
